## **DETAILED ACTION**

### **Non-Final Rejection**

#### ***Claim Rejections - 35 USC § 102***

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

Claims 22-34 are rejected under 35 U.S.C. 102(e) as being anticipated by Wynn et al. (US 5,971,271, hereafter: Wynn).

#### **Claim 22:**

Wynn discloses a gaming device, in which player tracking information and game images are simultaneously displayed on the same display, (Figure 19 shows a player's image displayed simultaneously with game images on the same display).

Wynn further discloses the following features:

Player tracking input device, (Figure 7 shows a card reader);

Communications interface to provide player information to a host machine, (Figure 7 shows communication via fiber optic signal between a player tracking device and a slot marketing system coupled to a customer database);

A display device, (Abstract);

Art Unit: 3714

Game electronics configured to provide game images and output information, (Figure 3 is one of many figures that shows various game electronics disclosed by Wynn); Wynn additionally discloses the usage of commercially available hardware that includes a video overlay device, (Please refer to the table of components in Col. 12.). Additionally, as shown in Figure 19 and discussed in Col. 8. Lines 34—55, player identification information is combined with game images.

**Claims 23-26, 28-30 and 32-34:**

Player tracking information includes player ID, (Figure 7), animated graphics, (Col. 8. Lines 34-55 discloses a concierge appearing with the game image to congratulate a player), game images include reels, (reels are inherent to slot machines), and a card reader, (Figure 7).

**Claims 27 and 31:**

Please refer to the rejection of claim 22.
